WINE NOTES

A powerful and expressive red blend, with the Syrah taking center stage and the Mourvèdre providing a grounding depth and complexity. It's well-balanced, with bold fruit, spice, and a touch of earthiness, showcasing the unique characteristics of Texas terroir.

This wine would pair beautifully with grilled meats, barbecued dishes, or a charcuterie board.

Aging Potential:

This wine has the structure to age well for the next 2-5 years, where it will continue to develop complexity, especially as the earthy and savory notes evolve.
