

# Holiday

## WINEMAKER NOTES

Holiday is an annual red blend release from Lost Oak Winery. It is generally made in a more fruit forward style to complement any holiday meal, from Thanksgiving to New Year's Eve or to share when simply enjoying time with family and friends.

## TASTING NOTES

Holiday is back, and like its predecessors, it is fruity, fun, and ready for all the festivities. It is bright ruby in color, with aromas of plum and brown sugar. On the palette it has a slight tartness reminiscent of cranberries balanced with rich dark berries, baking spice, and vanilla. Flavors of fig and overripe plum accompany Holiday warmth on the lingering finish.
