

Mourvèdre 2019

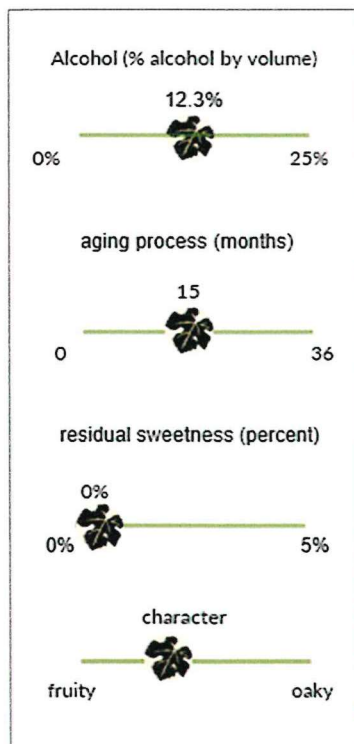

WINEMAKER NOTES

Mourvèdre (more-VEH-drha), also known as Mataró or Monastrell, is a red grape varietal that historically has been grown in France and Spain. It does well in warm to hot climates making it a perfect addition to Texas winemaking.

TASTING NOTES

Unlike our Mourvèdre Rose, the red version has a gorgeous ruby color. Aromas of black tea leaf and wild raspberry are plentiful. One sip and the pallet is overwhelmed with ripe wild berries with a hint of butter and caramel on the finish. Soft tannins linger bringing out delicate flavors of cherry and gingerbread.

TECHNICAL NOTES

Varietals & Vineyards:

100% Mourvèdre from Diamante Doble Vinyard Tokio, TX

Harvest Date:

October 2019

Brix: 23

Aging:

15 Months in French and American oak
