

# Mourvèdre 2021

## WINEMAKER NOTES

Mourvèdre (more-VEH-drha), also known as Mataró or Monastrell, is a red grape varietal that historically has been grown in France and Spain. It does well in warm to hot climates making it a perfect addition to Texas winemaking. It is most famous for being blended with Grenache and Syrah to make a GSM.

## TASTING NOTES

Ruby in color, the 2021 Mourvèdre is eager to greet the senses. Spicy aromas of cardamom, white peppercorn, tart cherry, and sweet tobacco mix with gentle floral notes. On the palate, this Mourvèdre is bursting with wild berries and black tea. Rich espresso and dark cocoa notes linger on the finish.

## TECHNICAL NOTES

### Varietals & Vineyards:

98% Mourvèdre from Diamante Doble Vineyards  
Tokio, Texas
