WINEMAKER NOTES

There are many reasons why a winemaker may choose to blend different grape varietals together. Sometimes the winemaker is looking for a specific color, bouquet, or flavor that can only be achieved by blending. Other times it is just good fun to blend two or more wines together and see what happens. In this blend, Muscat Blanc is blended with just enough Zinfandel and a hint of Merlot to give this rosé its classic tint.

TASTING NOTES

Our frosted pink rose is the perfect companion to cool you off this summer. The sweet aromas & notes of honeydew, ripe peach and exotic lychee will create a fragrance that will tantalize your senses. Sip this by the pool and enjoy your Hot Girl Summer!
