

TEXAS KEEPER CIDER

2024 Grafters Rosé [Seasonal]

The Grafters Series is all about crafting unique ciders made from heirloom apples and vintage wine grapes. For this year's Rosé we co-fermented Golden Russet, Northern Spy, and Bittersweet apples with Texas-grown Montepulciano grapes. The result is a beautifully rounded cider with notes of ripe raspberries, peaches and cream, and a crisp stone fruit finish.

Apples Used: Golden Russet (40%), Northern Spy (22%), Bittersweet / Bitter-sharp (21%), Montepulciano (17%)
